COFFEE by Caffè Vergnano 1,800

CAFFÈ VERGNANO was founded in 1882 by Domenico Vergnano as Italy's first coffee manufacturer. Its history dates back more than 140 years, and it continues to shine as a top-class coffee maker today under the fourth generation of the Vergnano family. The company continues to produce gorgeous, mellow coffee beans by using the same manufacturing method since the company's founding, long-term roasting at low temperatures.
