SIGNATURE JOURNEYS

Experience Bvlgari's exclusive nurturing spa journeys inspired by the ancient wellness traditions of the world. Feel tension and stress melt away as your mind and spirit find peace with restorative treatments in one of our luxurious spa rooms.

THE ROYAL LULUR TREATMENT 3 Hours **Exotic Indulgent Therapies Journey**

A treatment created for royalty, this exotic spice and yogurt exfoliation and body polishing process has been faithfully practiced in the palaces of Central Java since the 17th century. There, the pursuit of beauty has long been a sacred daily ritual, with the Javanese lulur an integral step, leaving skin soft, supple and shining.

An exotic blend of indulgent therapies for couples seeking a complete retreat, this regal experience for two takes place in our luxurious Spa Suite. Commence with a welcoming foot ritual, followed by a skin-exfoliating lulur scrub of rice powder and spices. A full-body envelopment of algae mask refines the skin. Meanwhile, a cleansing facial takes place and feet and limbs benefit from an intensive reflex zone massage. Step into the Rasul to cleanse and refresh, then bliss resumes with a perfectly synchronized signature four hand body massage rich with exotic oils and herbs to complete this decadent, stress relieving and calming experience.

THE KAHRAMAN TREATMENT 2 Hours **Natural Baltic Amber Mystical Journey**

A fossilized resin from ancient Baltic forests, Amber is an organic substance guarded in the ground by nature itself, a precious time capsule, a symbol of the sun's warmth – a true gift of nature. Used since the time of the ancient Greek physician Hippocrates, Amber has been widely believed by various civilizations as containing the power to relieve numerous ailments and conditions, especially delivering pain relief and with strong anti-aging properties.

Our Amber Mystical Journey delivers a powerful bio-energetic therapeutic ritual that begins with recreating the atmosphere of the ancient Baltic forests – using a flower water spray along with a relaxing foot ceremony. A full-body exfoliation follows, with your therapist enveloping your body in soothing argan and sweet almond oil. The therapist will then proceed to sprinkle on the magical grains of golden amber powder exfoliator salts. The soothing scent evokes the atmosphere of the ancient forests, a sweetness that awakens the senses. Step into a warming shower and rinse off the Dead Sea salt grains so that you may now immerse yourself in a 90-minute-long body massage ritual that will awaken and restore your mind-body-spirit balance – alleviating stress, boosting awareness, and stimulating reflexes. Conclude your journey with a soothing face massage while enjoying an amber body wrap that will have you cocooned, protected and ready to take on the world again.

MAJESTIC HAMMAM JOURNEY 5 Hours **Luxurious Hammam Experience**

The use of a Hammam is a venerated Moroccan and Middle Eastern tradition that has endured for centuries into the present day. The ritual takes place in a humid chamber where the body is cleansed from head to toe. Water is poured over the guest before applying black soap to the skin and exfoliating it with a kessa glove. This ritual purifies the body, improves elasticity and enhances blood circulation as well as leaving skin soft and glowing.

Enjoy the Majestic Hammam Journey in the luxury and privacy of Bvlgari Spa's dedicated Hammam Suite, where we closely follow the ancient cleansing principles of the Hammam tradition. We use natural black soap and Miel d'Ambre from Maroc Maroc, an exfoliating and detoxifying body balm, made from sesame oil and honey extract followed by a ceremonial body massage combining stretching and deep tissue movements to melt away muscular tension. The ritual includes a scalp massage, hair washing ritual and application of a hair mask. The Majestic Hammam Journey is completed with a specialised skin care facial to suit your needs.
