IL RISTORANTE

NIKO ROMITO

“Per questo progetto creato per Bulgari, ho immaginato una cucina italiana autentica e contemporanea, che racconti la ricchezza e la varietà del nostro patrimonio gastronomico.

Al Ristorante - Niko Romito, la tradizione viene aggiornata grazie ad un approccio moderno, che ne esalta l'essenza pur innovandone la forma. Dietro a piatti apparentemente semplici, si nasconde un grande lavoro di ricerca, dove creatività e tecnica sono sempre funzionali all'espressione più pura e intensa del gusto.

Gli ingredienti vengono trasformati per esaltarne sapori e consistenze, con un'attenzione particolare alla leggerezza dei piatti.

Voglio che chi si siede al tavolo possa viaggiare in Italia con i grandi classici della nostra cucina e le sue innumerevoli specialità regionali, emozionandosi nel ritrovare profumi conosciuti o nello scoprirne di nuovi.”

“Created for Bulgari Hotels & Resorts around the world, the concept of Il Ristorante-Niko Romito reimagines authentic and contemporary Italian cuisine, with an eye on expressing the richness and variety of our gastronomic heritage.

At Il Ristorante - Niko Romito, tradition is updated with a new approach, which enhances its essence while innovating its form. A great deal of research goes into every dish, and creativity and technique are used to achieve the purest and most intense expression of taste. In every dish, ingredients are transformed to enhance their flavors and textures, with particular attention to lightness.

I want guests to feel like they are on a journey through the great classics of our cuisine and its innumerable regional specialties. Every meal is an opportunity to discover new flavors or rediscover well-known ones.”

Il Ristorante – Niko Romito 为全球宝格丽酒店及度假村量身打造，着眼于展现意大利传统美食的丰富性及多样性，是一次对地道且现代的意式料理的演绎。

在 Il Ristorante – Niko Romito，传统被赋予了新的内涵，在不断的创新中提升食材本味。看似简单的菜肴背后隐藏着大量的研究工作，我们通过创造力与技巧的融合来实现最纯粹、最强烈的味觉表达。这里的每一道菜，食材都会得到升华，以增加其风味和质感，调味上我们也尤为注重清淡。

我希望客人们能感受到，他们正在经历一次美食之旅，领略意大利的经典佳肴及各个地区的特色美味。每一餐，都是发现新的美味享受或重温经典的愉悦旅程。
