## Chef Niko Romito

Lo chef tre stelle Michelin Niko Romito porta un pilastro di arte e talento al Bvlgari Dolci.

Originario dell'Abruzzo, nel centro Italia, è cresciuto circondato dai profumi della pasticceria di suo padre a Rivisondoli.

Aveva altri progetti per il suo futuro, ma quando suo padre è venuto a mancare, ha finalmente deciso di abbandonare gli studi in Economia e Commercio per rilevare l'attività di famiglia, che era stata trasformata in una trattoria.

Così ha creato il Ristorante Reale, che ha ricevuto tre stelle Michelin dal 2014, e dal 2017 cura i ristoranti di tutti i Bvlgari Hotel nel mondo.

Lo chef Niko ha sempre custodito i ricordi dei dolci di suo padre, che lo hanno ispirato ad aprire la sua panetteria e laboratorio di pasticceria.

In collaborazione con Bvlgari,

ha immaginato il nuovo concept Bvlgari Dolci Ginza, celebrando le tradizionali ricette di pasticceria italiana reinterpretate secondo la filosofia visionaria dello chef, con un'idea di eleganza e leggerezza decisamente contemporanea.

*Three-Michelin star chef Niko Romito brings a pillar of artistry and talent to Bvlgari Dolci.*

*A native of Abruzzo in central Italy, he grew up surrounded by the scents of his father's pastry shop in Rivisondoli.*

*He had other plans for his future, but when his father passed away, he finally decided to leave his studies in Business and Economics to take over the family business, which had been transformed into a trattoria.*

*This is how he came to create the Ristorante Reale, which has been awarded three Michelin stars since 2014. And since 2017 he curates the restaurants of all the Bvlgari Hotels worldwide.*

*Chef Niko has always held the memories of his father's pastries close, which inspired him to open his own bakery and pastry workshop.*

*In partnership with Bvlgari, he imagined the new Bvlgari Dolci Ginza concept, celebrating traditional Italian pastry recipes reimagined according to the chef's visionary philosophy, with a resolutely contemporary idea of elegance and lightness.*
