RESORT BALI

Conveying the exclusivity of the Bvlgari brand through customised experiences and luxurious spa suites, The Bvlgari Spa at Bvlgari Resort Bali represents the pinnacle of wellness offerings. Treatments, products, and services are curated to embody a sanctuary of holistic wellbeing, seamlessly blending the therapeutic heritage of Indonesian massage with the sophistication of modern spa practices. Guests are welcomed into a reception housed within an antique 'Joglo' from Central Java, meticulously reconstructed piece by piece to preserve its authenticity and charm.

Perched dramatically on a cliffside, the spa commands sweeping views of the Indian Ocean, offering a setting as restorative as the therapies themselves. Infused with the spirit of Balinese culture and elevated by the elegance of contemporary Italian design, the spa provides a complete retreat from the outside world. Here, guests are invited to immerse themselves in tranquility, discovering a collection of results-driven yet deeply authentic treatments inspired by regional wellness traditions.

BVLGARI SIGNATURE RITUALS

The nurturing experience at The Bvlgari Spa is inspired by the ancient wellness traditions of the world. Tension and stress melt away as the mind and spirit find peace with restorative treatments in one of the luxurious spa suites.

Bvlgari Royal Lulur For Two 180 min

Treatment created for royalty, this exotic spice and yogurt exfoliation and body polishing process has been faithfully practiced in the palaces of Central Java since the 17th century. There, the pursuit of beauty has long been a sacred daily ritual, with the Javanese lulur an integral step, leaving skin soft, supple and glowing.

An exotic combination of indulgent therapies for couples seeking a complete retreat, this regal experience for two takes place in the Royal Spa Pavilion. Commence with a welcoming foot ritual, followed by a skin-exfoliating lulur scrub of rice powder and spices. A full-body wrap with an algae mask refines the skin. Meanwhile, a cleansing facial takes place and feet and limbs benefit from an intensive reflex zone massage.

The subsequent facial with Augustinus Bader products balances the skin. Step into the plunge pool to refresh, then bliss resumes with a perfectly synchronized signature four hands body massage with rich exotic oils and herbs to complete this decadent, stress relieving and calming experience.

Romantic Harmony For Two 180 min

Designed for two, this journey is a perfect way to enjoy a spa experience in the privacy of the spa suite.Embark on this pampering journey for two, starting with a foot cleansing ritual. Then, a gentle exfoliating scrub made from coconut and vanilla prepares the skin to fully absorb the nourishing ingredients, continue the experience by indulging in the Jacuzzi and essential oil massage. The use of customized massage oil blends helps to restore and retain moisture in the deeper levels of the skin, eases muscular tension and invites a sense of bliss. The subsequent facial with Augustinus Bader products balances the skin.

Stress Recovery 120 min

A refreshing treatment that helps eliminate toxins, smooth and firm the skin, providing physical and mental relaxation. Inducing a state of relaxation, a foot ritual marks the beginning of this thoroughly de-stressing treatment. Coconut and vanilla scrub helps exfoliate and soften tired skin, followed by massage with fragrant aromatherapy oils to release tension from tired muscles. The ritual concludes with an express facial to nourish and hydrate the skin.

BODY THERAPIES

A full body lavish and indulgent pampering with carefully developed body therapies. Relax, re-energize and boost skin with natural vitamins and minerals, leaving the skin refreshed and full of life.

Anti-Cellulite Body Treatment 75 min

A high performance treatment designed to eradicate visible sign of cellulite using a body wrap that infuses oxygen into skin cells, stimulating release and elimination of stored fat. Corrective fluids are then applied to specific cellulite-prone areas to refine and re-sculpt. This treatment concludes with a sculpting massage using deep and effective movements created to dislodge cellulite while helping to restore toned skin.

Balinese Lulur 60 min

An Indonesian ritual, traditionally performed on brides before a wedding. Begin the treatment with foot ritual followed by lulur or body exfoliation using ground rice, sandalwood and fragrant spices, before yoghurt mixture body wrap. The ritual concludes with body lotion applied to soothe and nourish the skin.

Balinese Boreh 60 min

A healing recipe of indigenous herbs is used as a body exfoliant to warm the body, open clogged pores and improve circulation. A relaxing head massage is performed while the spices warm and detoxify the skin. This traditional treatment is commonly used in the region as a cure for stress-induced headaches, muscular stiffness and even rheumatism.

After Sun Soother 60 min

The After Sun Soother brings instant relief and moisturized dry, sensitive, sunburn or flaky skin, leaving it calm, hydrated and soft. A coconut scrub is used to gently cleanse the skin and followed by application of a replenishing body mask comprising nourishing aloe vera gel. A soothing treat for skin after prolonged exposure to sun.

MASSAGE THERAPIES

The Bvlgari Spa experienced spa therapists combine ancient healing wisdom from around the world with modern therapies to provide a range of massage techniques that restore inner calm and rejuvenate the body.

Healing Stones 120 min

A holistic experience combining the benefits of coconut and vanilla scrub and warm volcanic stones with therapeutic oils to deliver ultimate relaxation for tight and tired muscles. Heated massage stones enhance the effectiveness of massages stroke to stimulate blood flow and induce a profound muscular relaxation.

Balinese Four Hands Massage 120 min

The perfect treatment for those who find it hard to unwind and relax during massage. Start with a welcome foot ritual followed by a skin-exfoliating lulur scrub and body massage. A pair of therapists commence the synchronized four hands massage, tension releasing massage – applying advanced massage combinations of stretching and rolling movements with long, deep strokes. A mix of hot stones, warm oils and a therapeutic head massage ensures individual emerges completely relaxed.

Herbal Revival 120 min

The experience starts with ginger cinnamon scrub followed by a body massage. A healing massage treatment utilizing warm poultices made of local herbs to calm the nerves and rebalance energy levels to positively promote circulation and good health. It aims to soothe muscle tension and stiffness on targeted areas. Heat and herbs are absorbed by the body to help reduce aches and pains, increase lymphatic drainage and tone the skin.

Deep Tissue Massage 90 min

An ancient technique to restore health and vitality with combination of deep pressure point massage and stretching relieving tension, improving flexibility and blood circulation. Loose garments are provided and no oil is used during this massage.

Traditional Massage 90 min

A freestyle Balinese massage technique soothes away tension with choices of massage oil blend, combined with a suitable pressure to introduce body and mind on a journey of ultimate relaxation and harmony.

Relaxing Body Massage 90 min

A deeply soothing and relaxing experience, this treatment utilizes the potent properties of essential oils applied with long, slow and gentle strokes to the body and scalp. Body and mind brought back into equilibrium once tensions are released.

Relaxing Foot Massage 60 min

Revive weary feet and experience deep relaxation and revitalization in this pampering treatment. Taking inspiration from the Oriental art of reflexology, this delightful foot and lower leg massage stimulates circulatory and lymphatic systems to leave hard-working feet walking on air. A perfect pampering for tired feet.

AUGUSTINUS BADER

Inspired by over three decades of science and innovation, Augustinus Bader's award-winning approach to professional skincare is rooted in groundbreaking stem cell research and trusted by the world's most discerning experts. Professor Bader's clean, efficient formulas are powered by TFC8®, a proprietary cellular renewing technology clinically proven to help support the body's natural regenerative processes, for a fresh, healthy glow from the inside out.

The Augustinus Bader protocols have been designed to support skin's innate wisdom at the highest level, to address individual needs and reveal the best version of yourself.

THE METHOD AUGUSTINUS BADER

The Method Augustinus Bader is a bespoke, science-backed treatment that combines Professor Bader's award-winning skincare technology, TFC8®, with customized fascia massage to stimulate cell rejuvenation. This highly sensorial, hands-on facial leverages Augustinus Bader's hero formulas to help boost cellular communication, promote circulation, address skin's unique needs at a deep level, and visibly firm, tone and refresh – resulting in an immediate glow with lasting benefits.
